

THE SOLUTION TO THERMAL & ACOUSTICAL ISSUES

LUNCH & LEARN

AIA/CES Course #3696

Spray-Applied Acoustical Finishes

Credits: Health, Safety, & Welfare: 1 LU/HSW Hour

This engaging, one-hour course provides a comprehensive overview of spray-applied acoustical finishes for architectural applications, examines the relationship between health, safety, and noise, and addresses the need for acoustical treatment prior to occupancy and importance of consideration during renovation.
